

Non-Conformities FCC ID: XJQMSLINK0002 (CKC CS Ref # E10-000054-FCC-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. Further question may arise pending review of responses to these items.

OK	ID	#	Non-Conformity or Comment	Submitted Response	Respondent / Date of Response
√	C	1	According to the user's manual the EUT may be powered by an externally regulated power supply. Please provide conducted emissions data	This manual was originally created from the manual of a different product, and the sections discussing barrel connector and external regulated power supply had been left in place by error. There is no barrel connector on the module, no external regulated power source for battery charging, etc.. These references have been removed in updated attached manual.	Jacob Galbreath 7/15/10
√	C	2	Please provide a letter requesting modular approval.	Drafted Letter and sent it to the Customer for approval. I approve. Thanks! RE: red section, Yes, there is buffered data inputs. All data inputs are buffered through a microprocessor, no direct external connections to the radio are provided.	Jessina Hunter Agent 7/9/10 Jacob Galbreath 7/15/10
√	C	3	Why is confidentiality desired for parts listing & tune-up procedures when none has been included with this application?	These were listed in the form letter and are not required for this application therefore they were not provided. I have removed the references to parts listing & tune-up procedures from the letter. I approve. Thanks! Updated Letter Provided.	Jessina Hunter Agent 7/9/10 Jacob Galbreath 7/15/10 Jessina Hunter Agent 7/15/10

√	C	4	Please provide an updated users manual incorporating the statement required by 15.21	This has been added in updated attached manual. Pages 41-42	Jacob Galbreath 7/15/210
√	C	5	Please provide an updated users manual incorporating any necessary statements in accordance with 15.27.	I don't believe that we have any special accessories required for compliance. Please advise if I am missing something here.	Jacob Galbreath 7/15/10
√	C	6	Please provide an updated users manual incorporating the appropriate users manual statement in accordance with 15.105.	There was a paragraph on page 41 that should have covered this, please advise if it needs to be changed.	Jacob Galbreath 7/15/10
√	TL	7	Please provide data showing band edge compliance.	Plots are on pages 14 - 16 of 90661-6. Also, refer to pages 26, 29, and 50 – 55.	Jeff Gilbert – 07/13/2010
√	C	8	Please include statement in user's manual regarding RF exposure.	This has been added in updated attached manual. Pages 41-42	Jacob Galbreath 7/15/10
√	TL	9	Please provide MPE report for this device.	Submitted to report department with test data; did the report dept write the report?	Jeff Gilbert – 07/13/2010

The items indicated above must be submitted before processing can continue on the referenced application. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) and forfeiture of the filing fee pursuant to Section 1.1106.

How to read the table:

OK column indicates closure by CKC CS.

ID column is for use with Agents to assist in identifying the probable source for closure.

A – Application issue

TL – Test lab issue

C – Client issue

R – Retesting may be necessary

column indicates unique or separate non-conformity items (note some items may be related).

Non-Conformity or Comment column indicates the evaluators specific question or comment.

Submitted response column indicates the response or a summary of the response provided.

Respondent / Date of Response column indicates the responding party or agent and the date of the response was either received or logged.
